How we will use your contact details

The practice has facilities to provide email and text message communications. It is important that we inform you how the data you provide will be used. If you provide your email address and/or mobile telephone number, an assumption will be made that you are happy to receive appointment reminder communications by these methods.

For those with no email or mobile number, we will try to telephone to remind about appointments. Please let us know if you prefer not to receive reminder calls.

For more detailed information about the data we hold, please see the practice privacy notice which is available at reception.
